## ► Changes for 2017

- **Location.** CWC will partner with 3CDC at [Memorial Hall](#) for its signature presentations, with the Oscar short films to be shown in the newly renovated theatre in OTR. Film lovers will delight in the **new screen, 70% larger** than last year's venue, and the **new laser-driven DLP projector, twice as powerful**. New sound system and restrooms; wider, padded seats round out patron-pleasing amenities.
- **Oscar Screening Times.** At patron request, now **5 & 8 pm Saturday** and **3 & 6 pm Sunday**.

Oscar program single and two-session combo tix are \$10 and \$18 in advance, respectively, and patrons can pick their days and show times.
