Here's the buzz about ZERO DAYS...

"A WHITE KNUCKLE THRILLER. Clear, urgent and positively terrifying at times."

– **Peter Debruge, Variety**

"ENTHRALLING. A thriller, a detective procedural, a startling chronicle of science fiction transformed into fact."

– **Joe Morgenstern, Wall Street Journal**

"GIBNEY'S BEST YET. A globe-trotting cyber-detective story. Entertaining, exhaustive and suspenseful."

– **Alan Zilberman, The Washington Post**

"EASILY THE MOST IMPORTANT FILM ANYONE HAS RELEASED THIS YEAR. Deserves to be seen by every sentient citizen of this country – and indeed the world."

– **Godfrey Cheshire, Roger Ebert.com**

"A high-tech espionage thriller and all the more thrilling for the story it tells being real."

– **Mark Feeney, Boston Globe**

"A fast-moving, nerve-racking international thriller involving espionage, classified operations, sneak attacks on foreign nuclear facilities and the shadow of Armageddon."

– **Nicholas Barber, BBC**

"RIVETING. This is serious business, but as pure story, it's also exhilarating."

– **Chuck Wilson, Village Voice**

"A coolly riveting geopolitical thriller and a fascinating experiment in cinematic form."

– **Justin Chang, LA Times**

"PLAYS OUT LIKE A TWISTY ESPIONAGE THRILLER. A dizzying compendium of political and nuclear history, modern-day politics, computer-science and righteous outrage."

– **Ann Hornaday, Washington Post**

"ZERO DAYS MAY BE THE MOST IMPORTANT MOVIE YOU WILL SEE ALL YEAR. It may be your first step to understanding the dangers created by cyberwarfare."

– **Joe Cirincione, Huffington Post**

"It's a detective story. It's a spy thriller. It's a cautionary tale. AND IT'S TRUE."

– **Soren Andersen, Seattle Times**

"Riveting reporting with the urgent tone of a techno-spy thriller."

– **Colin Covert, Minneapolis Star-Tribune**

"SEARING. A thoroughly gripping documentary formulated with forceful urgency."

– **Giovanni Marchini Camia, The Film Stage**
